From My Lips to Yours!

Look, Mary has taken a break this month. I guess you could call it a break, 'cause I can't find her anywhere! It would have been nice if she would have told someone at the office that she was going to disappear for a few weeks. She's probably off fucking some guy, which would normally sound like some kind of insult, but not in Mary's case. Lucky guy. Well, you'll have to do with the second best thing to Mary's pussy, and that is this hot issue of ***SWANK***. So, on Mary's behalf, go and enjoy yourselves, gentlemen.

MARY'S MAILBOXXX

Sealed With A Nasty Kiss!

Howdy, howdy, howdy! What is happening in *SWANK*ville, my dears? Here, at *SWANK* headquarters, we are rockin' & rollin' as usual. And it's *all* good! The magazine is cumming out each month, we are taking lots of new pictures of tons of new, hot girls, and everybody around here is having a ball—and even getting balled! Best of all, the mail keeps pouring in, but, I love it, so keep it going! The more mail, the better! Some of your mail I answer in my column, some of my mail I answer personally, and some of the mail I masturbate to—but, I do read all of it! So, without further yapping, ranting, raving, and bloviating—let's see what's on your minds and your cocks this month! Go for it!

Lots of straight guys wear girl clothes because it turns them on!

Bad Brain, Good Cunt

Mary, I think this may be a problem a lot of guys have when they meet a girl they like: She bangs great, but is a moron. What to do when faced with such a situation? **Harris E., Ft. Worth, Texas**

MARY—*Not to put down any of my female sisters out there, but my guess is that this does happen a lot in the real world! Yes, dudes, I can admit it, there are lots of bimbos out there with great bodies who suck and fuck like demons. So, what to do? Well, actually, nothing! We all have to accept those for who they are, for what they are, and what they are not. So, the girl you are hot for is not a rocket scientist? So what? Do you think you are such a genius? Have fun and have sex—just be honest about it as much as you can with her—and yourself. If the situation is just a booty call, don't make out like you are in love with her mind—that would just not be fair. Keep your XXX-pectations in line with reality, and go with the flow. If the mutual attraction is only physical, then the whole deal will probably flame out sooner rather than later anyway. In the meantime, have fun while it lasts!*

Porn Star Sex

I hope you don't find this question stupid, Mary, but I watch a lot of porn, and I really like all the sexy, nasty things that the girls in the movies do to the guys—know what I mean? However, my wife is like, this regular citizen sexually speaking, and I don't know how to get her to act more like a porn girl. I don't want to offend her, because I love her—and also she is the only one working now between us, since I got fired from the gas station. Any helpful hints, Mary? **Jack Y., Ogden, Utah**

MARY—*Like a lot of men who watch XXX movies, they all want their wives and girlfriends to be porn stars without actually being porn stars! Well, it can be done, Jack! Yet, it also can be a tricky situation because as you point out, it could offend your significant other, and in your case—the person who is paying your bills at the moment! Okay, this is very particular individual! With some girls, you can be open, honest and simply tell her you want something more out of your sexual experiences—not to mention—tell her want* you *want. With them, you can use your porn movies as practically educational tapes that demonstrate what you are into. Other women could be made to feel sexually inadequate if you suggest you want her to improve sexually, so you have to treat lightly in those cases, and just slowly but firmly push her in the hardcore direction. It all depends on the individual chick, so take your pick Jack, and let me know how it goes!*

Am I Gay?

My girlfriend has a lot of skimpy sexy underwear, and I like to watch her walking around the house and tease me with them. But, sometimes when she is not home, I like to put on a g-string or two and mince around a bit. Does that make me gay? **Kevin C., Miami Beach, Florida**

***MARY**—In a word, Kevin? No, and not that there's anything wrong with it. Kevin, I wear pants a lot, does that make me gay? You wear clothing that you like for whatever reason you want. This might surprise you Kevin, but lots of totally straight guys sometimes wear girl clothing because it turns them on, and take it from me, it is no big deal. So, wear those panties and mince away, Kevin, because you ain't gay!*

Hammer Dude

I hammer the girls, Mary, I hammer their pussies! I hammer, and hammer, and hammer away! Dirty sluts! **Larry Q.,San Diego, California**

***MARY**—Sounds like a man with a plan!*

What's The Difference?

Mary, what is the difference between a prostitute, a whore, an Escort Girl, and a hooker? I see these terms used all over the place in connection with pay-for-play—but what is the actual difference between them all? **Tom L.. New York, New York**

***MARY**—None whatsoever, Tom! As you, yourself, point out—all those names have to do with women, or men, actually; whom have sex in exchange for money. They all boil down to the same thing. Now, in practical terms, some women who sell gash for cash don't like a name like "whore" or "hooker," because society has made these into negative images, so they might prefer to be called escorts, but it's all really bullshit, and everyone knows it. I think women who prostitute legally—for instance in certain parts of Nevada or other countries—should be proud of their professions, and should boldly embrace all of those terms, because personally, I love them all, and so do you, I bet!*

Jerk Off—But Be Cool About It!

Mary, I love to jerk off, and I sometimes jerk off about ten times a day. I am jerking it this way, that way—all ways. I love to grab my cock with one hand—my balls with the other—close my eyes, think of some girl, and then work myself up until I blow my load. My problem is that I like to whack it all over the place: On the street, In stores, in the park, on the bus, while driving my car—I just can't keep my hands off myself! What should I do? I don't want to get in trouble! **Marc M., Dayton, Nevada**

***MARY**—Trouble? Sounds like you are already in a bit of trouble, Marc! Look, guys love to jerk themselves off—and it is completely natural and healthy to do. However, you have to get a handle on it—no pun intended. It is also natural and healthy to take a piss, but you don't do that in your car, do you? No, of course not. What you should do is cum up with a jerk off schedule and stick to it! Save your loads up between jerks, and confine your meat-beating to your house, hotels, and maybe, a friend's bathroom? But that's it! While I understand—and your body understands—that you are just responding to nature's natural inclinations—society as a whole, not to mention the local police department—won't see it that way, and you could find yourself in some deep legal shit. If things really start getting stressful, when you go outside, wear some kitchen gloves or a catcher's mitt to make it difficult to take a random grab at it. If all else fails, then seek out a qualified sexual therapist to keep your self-love longings under control, because I don't think we can forward your **SWANK** subscription to San Quentin!*

There are lots of bimbos out there who suck and fuck like demons!

"All I Ever Wanted To Do Is Dance And Fuck—So, Now I Do Both!!!"

I definitely do not have the greatest memory in the world, but I do remember that from my first memory ever, I had two great loves in life—dancing, and sex! I know that may sound silly to you, or to anyone who does not care about either—but to me, they have always been my passion and obsession!

It all goes back to when I was growing up in the Pacific Northwest. Since I was always tall and had long blonde hair, people would look at me and have one of two reactions, either: "Wow, what great legs! You should be a dancer." Or, "Wow, you are so beautiful, want to go on a date?"

Yes, that was my life, and that's exactly how things started out that got me where I am today! By the time I turned 18 in high school, I was already getting close to six feet tall, and my legs seemed to start at my neck! Also, my blonde hair just kept growing and growing! I never saw any reason to cut it, so there it was! And you know, I never had big breasts, just small, natural ones, so at about 110 pounds, I always went with my two strengths—my hair and my height!

The boys seemed to go for it, and big time! I always had so many boyfriends, not to mention, so many guys coming on to me, that it was insane! I loved the attention and flattery, so the sex just came with the landscape! And I liked sex most of all. I loved giving head, and being fucked deeply from behind! It was around that time, that I realized my passion for dancing. I was dancing in my house, my car, and at local discos—and when I met a guy I liked, I

This Month's Love Ranch Lover...
Diamond Williams!

I loved giving head, and being fucked deeply from behind!

screwed his brains out as well! I would pretend I was a porn star, because so many of them were tall and had blonde hair, and it gave me a chance to act really slutty!

So, life was good. But then, when I got out of high school, well, it became time to actually get a job and pay my own bills. I was having a ball dancing and fucking, but was not getting paid a dime for it—yet! At first, I worked just some bad, greasy spoon waitress jobs, made minimum wage, poor tips, and was bored to death. Then, one day when I was on my way to work at a local restaurant, I passed a strip club and it had a sign up that said, "Dancers wanted." I had no professional experience dancing at all, just the moves I choreographed on my own, from watching tv and on the Internet. But, of course, I knew how to strip for my boyfriends, and I knew my stripping got them rock-hard and dying to fuck me! So, one day, I just said, "What the hell?" And I went in the club and auditioned.

I guess I did okay on the pole, because they hired me on the spot! I was thrilled, and immediately quit my waitress job! I then threw all my time and energy and money into strip dancing! I would work at the club around the clock—way past the hours they gave me, because I wanted to watch the other girls, practice on the pole, and learn everything I could! I also spent a ton of money on sexy outfits and lingerie that was required to strip. I was out of control! I wanted to be the best dancer in the world, and the money was great, too! All of a sudden, it was like I was rich!

My dancing also got so much better! I could be so sexy on stage and get the men in the audience so hot and bothered that I literally could see the erections in their pants! I danced in the Pacific Northwest, and then wound up in one of America's top places for strippers—Las Vegas! There are so many strip clubs, but also so many beautiful girls! It was like that saying: "If you can make it there, you can make it anywhere!" And I did! So, there I was dancing at a few different Vegas clubs, having a ball, making great money. There was only one thing missing—the sex!

Oh yeah, I always had a boyfriend or two, but I was way more sexually wild than that, and I figured if I could get men hard just by my dancing, why not get them off sexually as well? However, I was looking to do it legally. I knew that Sin City was a total whoretown—with thousands of girls doing escort work—but I did not want to get arrested, or get into some kind of dangerous situation, so I always avoided that temptation. I did, however, see the HBO series called "Cathouse" about the Moonlite Bunny Ranch—a very famous legal brothel in Northern Nevada. I finally got the guts one day, and called them up. They said they were full, but that across the street from them—their sister legal brothel, the Love Ranch—had a shorter waiting list. So, I called them right after I hung up with Moonlite, sent them an email, some pictures, and waited. Finally, one day, the call came.

"Diamond Williams, come on down to the Love Ranch!" I was so psyched up for it! It took me about two weeks to organize my stuff, and then I drove out to the Love Ranch—about six hours away.

I had no idea what it would be like at the Love Ranch, but as soon as I walked in their front lobby, I was so impressed by how clean, new, and professional everything looked! It was really reassuring! I then met the house Madam, who is like the general manager of the facility, and was taken to my room—a cute, little room with a private bath and cable tv! How nice! It takes a couple of days to learn all the so-called "Ropes of a brothel," because it is a legal operation and the local county and state have all kinds of regulations to keep everything proper. Then again, it is all worth it! Finally, I was taken to the doctor's office to have my medical tests, and they came back clear. I then stood in my first lineup—where all the girls stand in a line and the customer selects with whom he wants to party. And guess what, guys? He picked me! I was wearing a very sexy red panty and bra set, with stiletto heels that showed off my legs. I could see he wanted me badly!

It was my first brothel fuck, but as soon as we got to my room, and got the payment thing out of the way, I wasn't nervous in the least! I was determined to suck and fuck this dude's brains out, and I did! First, I did a sexy striptease—my specialty! Then, I felt him all up and down while talking dirty in his ear. Finally, I let him take my body from top to bottom, and use me anyway he wanted—and he did! It was great, and what made it better was that we both had multiple orgasms. Afterwards, we both showered and had post-fuck drinks at the brothel bar. I knew one thing for sure: I was now officially a hooker baby, and I loved it!

I was like a lioness unleashed, and I wanted more, more and more! From that point forward, it was a cinch—I would dress in all kinds of hot outfits, the guys would come drooling after me, and then we would do it! I was getting picked a lot by clients, and my regular clients would come back for more and more! Now, I am proud to say that I am a Love Ranch regular, and I split my time between dancing in Las Vegas, and fucking in Carson City. What more could a girl like me want?

However, the bottom line is the bottom line. It all boils down to how I am in the sack, correct?

What is it like to be with me in bed? Well, I will tell you: Have you ever dreamed about that girl next door, but whom had all the sexual skills of a well-experienced slut? Then, bingo! That is I in a nutshell! You are so in luck, because now at the age of 21, this horny, little Gemini knows how to do it all—and do it well! I am the best "Girlfriend Experience"—or GFE—you have ever had!

I figured if I could get men hard dancing, why not get them off sexually as well?

Come with me, and let me know you my love for sex that I want to share with you! That is why I came to the Love Ranch—to express my good talent. I love to take my time with a client, and make sure it is as an incredible experience for you as it will be for me. My easy, outgoing personality is perfect to comfort those who are shy and nervous, and just as well impress those who have a bit more experience. Creating that dream, then making it come true for you, baby! I promise each and every one of you the perfect encounter to suit your needs. When you are completely and totally satisfied, then I am! Warm, friendly, and everything you want in a woman—that is me! Even better, for those of you with an adventurous spirit, I am *so* open-minded to new, sexual things and would be more than happy to do anything you want to do baby—-and that means *anything!*

I think that is all I can think about saying about myself right now! The next step is yours! I am here waiting for you, but I hope the wait is not too long!

What to do? E-mail me at *DiamondWilliams@LoveRanchXXX.com* or call (775) 246-7077. You will find I am as friendly, laidback, and totally cool person you ever got intimate with. I do not care about looks, or money, or what job you have, or any of that superficial crap. If you are a nice guy, that is such a turn-on for me, and after that, anything goes!

And the Love Ranch is the only place in the planet where you will have an opportunity to get with me hardcore in a safe, secure and legal environment, not to mention comfortable, luxurious and fun!!!

Dance with me and fuck with me!!! The one and only Diamond Williams! Hope to see you and suck you soon!

With absolutely no delusions of grandeur, and certainly no expectations of being discovered—In 1976, I was introduced into the mainstream motion picture business by my great friend and legendary adult industry filmmaker and photographer, Titus Moody.

"Triple Playtime"

I am acknowledging this now, because I came across artwork from my final "mainstream movie" involvement: 1983's, *Losin' It*.

That adventure caused me to recall the other two that inspired me to create a column about my "Triple Playing Around," enhanced by images of the various ladies who accompanied me—as well as what poster artwork from the "real worlders" was available.

Now, it should be noted here that Titus had lured me into "the real world" as far back as 1972 when he got me involved (as writer/interviewer/narrator) with the creation of a tv documentary called: "The Rape of the Environment," which may sound exciting, but really, it wasn't, as it dealt with greedy land developers versus conservationists. When it aired in Southern California on Labor Day 1973, I seriously doubt more than a handful of viewers watched it.

As far back as December 1974, I appeared on a local Los Angeles channel as tour guide for a newscaster who wanted to know about what was happening in the sexually oriented businesses (including The Oral Sex Institute and The Pussycat Theatre) on Santa Monica Blvd. Without naming names (and to protect the not-so-innocent from the very guilty, etc.), I got the gig because the director of the piece was the brother of a wonderful "older" (by over 15 years) lady named Bonnie, with whom I had had a tremendous sexual relationship before I got into the XXX biz.

Also, speaking of that wonderful lady, Bonnie was my fairly regular Friday evening encounter from 1969 through the middle of 1970—and they were ultra-sensual experiences wherein she attended to my every naughty need. First, it was orally—bringing me to the brink of exploding down her throat before gently preventing me from spurting—and then vaginally, in the missionary position—cupping my balls like a pro to keep them from going nuts, until she would lick the middle finger of her right hand and slip it into her asshole so that she could tweak the head of my straining cock through the super-thin membrane that sep-

In 1976's, *Special Delivery,* I was all the way into Diana's steaming sexual center

arated her twin orifices from each other—until I blasted massively into her—and was rendered utterly satisfied.

However, on Saturday mornings, just to make sure that I was really and truly satisfied before I went off to play football—she would join me in her shower to, as she put it, "Empty my sac." Easing up behind me, she would tease at my heavy balls with her left hand until they began to grow tense. Then, while she slowly made them grow even tenser—she would reach around with her right hand and start to work my cock into a raging hard-on. Of course, I tried to remain cool, but resistance was futile. I was truly helpless against her very determined onslaught, and invariably at the precise moment, she demanded, "Show me what you've got"—as I would splatter whatever I had left from the previous evening all over her shower wall.

As far as the "mainstream" theme of this column goes—over my almost four decades in X—I would do hundreds of tv and radio shows, plus many, many documentaries, becoming, in the process, "The leading authority on the adult entertainment business, and in particular, its history."

Yet, I've always a very warm spot in my heart for that tawdry tour of Santa Monica Blvd. in December 1974, and in fact, I currently live well within very close walking distance of where we traipsed.

Returning to 1976, Moody asked me if I would like to be in a simulated sex scene that would be on the screen during an action sequence from something called *Special Delivery*—wherein the hero, played by Bo Svenson—crashes and bashes around in a movie theater. More importantly, Titus allowed me to choose the woman that I wanted to work with, and since I had never gotten over my smoldering affection for Diana St. Claire (also known as Heather Leight), my highly erotic co-star from 1974's, *Marilyn and the Senator*, I thought that I would toss her one final bone—in more ways than one. I had nicknamed her "Baby,"—and although she had dropped out of the business—I was nevertheless truly "In lust with her."

Since Titus was going to shoot all of our action "very tight"—the setting for the scene wasn't particularly important. So, I chose the studio at Reb: Sunset International, and its infamous big, pink, round bed. Diana showed up wearing a very low cut sundress, and when she stripped it off, she revealed a full compliment of lower body lingerie— including a particularly inviting pair of tiny black panties that left absolutely nothing but a blatant invitation to my overheated imagination.

"I thought that it would look better for the bit," she purred slyly, and proceeded to kiss me while noting that I was already exhibiting a slowly rising appreciation of her barely covered crotch by pressing into her.

"And I'll leave everything on after we are done, so you can have some fun," she whispered after our kiss, grinning at me because she felt my cock jerk up against her slit. Moody was oblivious to all of this. He ordered us onto the bed, and suggested a few positions—concluding with doggie style. It took

less than 30 minutes for him get what he needed. He handed us something to sign, and we hastily scribbled our names, as Diana could feel me starting push her panties aside. And by the time that Titus laid our payment (100 dollars for Diana, and 50 dollars for me) on the makeup table and left—I was all the way into Diana's steaming sexual center, despite the abrasiveness of her panties against the right side of my cock. She let out a loud sigh of satisfaction and shuddered out a release. Having worked together a number of times before,

she knew exactly what would make me shudder out my own satisfaction—so she reached under our conjoined area and worked at my heavy nut sac until my balls began to dance wildly. Then, she thrust back against me and rode out my orgasm as it seared her insides.

"Got to go," she said, as she readjusted her panties, and slipped on her sundress. As she picked up her 100 dollars, in Veronica Lake fashion, she tossed her gorgeous head back at me, and sexually satiated intoned, "Thanks kid, see you around."

As I fell, truly exhausted, back on the big, round, pink bed, I could only utter, "Bye, baby'" sensing that I most likely would never see her again. And I was right. And all that you will see of us in *Special Delivery* (if you care to look) are Diana's breasts in my hands.

A couple of years later, however, I would return to that big, round bed with a lovely, dark haired actress named Amanda (whom I couldn't resist nicknaming "The Panda") to perform in another simulated sex scene that would eventually wind up on the screen when Dudley Moore flips on a projector and shows Goldie Hawn a stag film in the mainstream comedy, *Foul Play*. And once again, Titus was very quick about getting what he wanted. He also laid our payment (100 dollars for Amanda and 50 dollars for me) on the makeup table as he was leaving the studio. Amanda and I had just gotten to know each on a sexual level when I chose her for the role/roll, and we were essentially still feeling each other out, to the extent that the heat between us at that time was still cautionary, as I hadn't really figured out what made her go out of control. Later on, I would discover quite a number of her triggers,

which would culminate during a trip to Las Vegas in early 1980 that kept us so busy in our Caesar's Palace room for three days, that only time we came up for air was for a few meals, and to see Frank Sinatra perform from a vantage point usually reserved for very high rollers. However, that's another story involving Amanda's slit to the hip red dress, and an unbelievably gracious (and very aware) maitre de.

Diana St. Claire was my highly erotic co-star from 1974's, *Marilyn and the Senator*

However, back in the studio in early 1978, left alone by Titus—Amanda and I simply started to make out and fondle until I felt her jet-black coiffed mound throbbing. By that time, I had learned that she liked to be orally consumed before being penetrated, and that she was still a little tentative about sucking my dick. More than once, she had expressed an amusing fear that if she blew me to an orgasm, there might not be enough of me left to go off inside her. And rather than foolishly force the intimate issue, and prove my multiple orgasm ability—I feigned a modicum of disappointment, and performed my oral duties until she soaked my face with her juices. She always tasted like very sweet apple cider. She also loved kissing me after I got her off, as I was gently inserting myself into her moistness.

Regarding what you'll see of us in *Foul Play*—my backside is prominent, and scant glimpses of Amanda's very pale skin are blink-and-you'll-miss-them images, but there really isn't very much else to get excited about.

Considerably more of me—as well as of Drea is on display in 1983's, *Losin' It*—a coming of age and awareness adventure in Tijuana directed by Curtis Hanson, and starring Tom Cruise, Jackie Earle Haley, and Shelley Long. Once again, Moody was asked to deliver some footage that would be displayed on the wall of a bar, while a few of the stars interacted in the foreground. Industriously, Drea (whom I married at the end of May 1982…for reasons to be revealed in a future "Lays"), and I proceeded to create about ten minutes worth of capricious carnality involving a teasing tenant, and a horny pool man. Titus was delighted that all he had to do was point the camera and shoot the silent, but heavily amorous action that was staged in the backyard area of the West Hollywood apartment house that Drea and I were managing. Fortunately, none of the tenants were home on that sunny afternoon, so we weren't interfered with, as Drea and I created a cute scenario during which she lures me, fully dressed, into the pool, and then attends to my every soaking wet need. In fact, we had so much fun doing it, that we even gave the pulsating project its own name: *Strip Dip*. However, the end result was rendered into images approximating a stag film from the 1950's by Titus—complete with herky-jerky motions and lots of missing frames of film, so that trying to watch it in fits and pieces becomes rather annoying. Quite frankly, I can't remember if Drea and I were even paid for our participation in the mini masturbatory moment, but I can remember that Titus was very pleased. And because he was such an important participant in my adult entertainment industry career, I came away from *Strip Dip* content in the knowledge that I (and Drea, who would go on to utilize Titus's multi-faceted talents in many of her own endeavors) had helped him fulfill his task.

Although, while in no way even remotely sexual—this was an equally important way of displaying loyalty and gratitude during my first decade of "Those Were The Lays."

FANTASTIC HORROR COMIC COLLECTION!

When most people think of 1950s horror comics, it's the EC line that comes to mind: *Shock Suspense Stories, Tales from the Crypt, The Vault of Horror*, and so forth. But as *Four Color Fear: Forgotten Horror Comics of the 1950s* entertainingly points out, EC was only a small portion of the horror market. Many other publishers put out scores of titles, such as *Haunted Thrills, Strange Fantasy,* and *Black Magic*, to name a few.

Here is a collection of 40 of these forgotten stories, published by Fantagraphics and edited by Greg Sadowski. Designated by the artists who drew them, from famous names like: Jack Cole, Al Williamson, Reed Crandall, Wally Wood and Basil Wolverton—to the lesser known artistic toilers in the Jerry Iger Studio, which packaged comics for publishers, these tales are good, creepy fun. An insightful appendix also gives credit, where possible, to the many writers and editors who helped create the stories, but who often did not receive bylines as some of the artists did.

While the government came down on horror comics in the 1950's as a morally and psychologically corrupting influence on the nation's youth—an astute reader today will realize that what must have been equally threatening to the political and cultural tastemakers in those super-conformist times was the fact that the stories gave a clear voice to damaged, depraved, depressed, and desperate characters—thus giving the lie to the idea that America was some kind of *Father Knows Best* paradise for everyone. The horror comics didn't necessarily justify the gruesome and reprehensible behavior in the stories—but they did give a sometimes unflinching look into tormented souls, not unlike the works of great authors such as: Poe, Kafka, and Dostoevsky. I don't mean that these stories are on that level of literary quality, but only that they share a willingness to face human frailty and vice with a sensationalistic but often honest eye.

"The Strange Case of Henpecked Harry" shows a man driven to desperation by a truly vile wife. You feel sorry for him even as he carries out a foul plan of payback. On the other hand, in "Swamp Monster" a killer goes to a plastic surgeon to have his face changed, but finds his appearance altered for the worst when it expresses the true nature of his personality.

In "Me, Ghost," a man's cowardly behavior in his using his girlfriend as a human shield against a gun-wielding robber is not excused, but his agonies of self-reproach and loneliness are chillingly depicted; he lives in a hell he created for himself. This is heavy stuff, not unlike a preacher's sermon designed to scare a person and steer him into the righteous path. In "The Body Maker," an ugly scientist's Frankensteinian desire to create a beautiful woman is understandable, but his mad quest for perfection ironically destroys him just as he's on the brink of ill-gotten success.

In a surprisingly timely way, given our 21st century fascination with caustic chefs on reality shows, a story named "Chef's Delight," shows how a master chef's ruthless dedication, not only to cuisine but to his monstrous ego, leads to the criminal neglect of his family and a horrible revenge by his mistreated wife. On a totally different note, "The Man Who Outdistanced Death" is about a champion Native American marathon runner who teaches a young athlete about the strange secret of unnaturally long life—a tale which ends on an almost uplifting spiritual note when the young man assumes the mantel of semi-immortality. And in contrast to this, showing the great variety of the stories in this well-edited volume, as well as in the horror comic genre, "I, Vampire" is a witty plea from undead bloodsuckers for greater understanding from living humans, suggesting a plan to get the blood they need through a system of charitable donations to special vampire blood banks!

Finally, "Evil Intruder" shows a truly loathsome but somehow comical naked monster escaping from his fellow demons and mingling amongst suburbanites in his quest for love. By putting a woman's mind in a fog, he fools her into kissing him, until he slips up and she discovers who and what he really is. The book's appendix gives credit for this odd, but memorable, tale to Ruth Roche, an editor at the Iger Studio, and makes a reader want to explore more of her haunting work, several stories of which are included in *Four Color Fear*. In fact, with its great selection of covers, 40 stories, and fantastically researched appendix detailing the history of the artists, writers, the individual stories, and their publishers—this is like three books in one. Go to *www.fantagraphics.com* for more info.

FOOD THAT CAN FLIRT!

Nouar is an Los Angeles-based artist who does funny and freaky paintings that often center on food...mirthful, flirtatious food, like: Apples, peaches, or beets with the bodies of sexy women. Or, she depicts a quartet comprised of a happy dancing donut, a smiling cupcake, a grinning slice of pie, and a gleeful chocolate chip cookie all doing a dance on the lengthy tongue of a lady with long sharp teeth. Or, there are the beautiful femmes fatale of a painting entitled "Just Between Us," munching on a box of uniquely shaped chocolate bon-bons—an image which well captures the simultaneous allure and creepiness of insanely beautiful females who have macabre mischief on their deliciously evil minds! (And that last sentence probably reveals as much about ye ole Stuff reviewer as about the painting.) You can check out Nouar's work at her website, *http://noirnouar.com*, where in her online store you can also get very reasonably priced signed limited edition prints of paintings like "Hot Diggity Dog," one of my personal favorites. With that shapely duo of ketchup and mustard bottles on his arms, no wonder Mr. Frankfurter has such spring in his step! I particularly love the way the mustard is hugging the bun.

FROM MAGAZINE READERS TO MONSTER MAKERS!

So much of our culture revolves around science-fiction and fantasy today, and that's been the case pretty much since *Star Wars* hit it big in 1977. However, before that, the genre was a fringe interest for the nerds of earlier eras. *The Sci-Fi Boys*, available at *Amazon.com*, is a documentary that talks about the 50s and 60s influences that shaped the creators of the big budget fantastic cinema that we have today in such great abundance—from Peter Jackson's remake of *King Kong,* to Steven Spielberg's *Jurassic Park,* to all the superhero epics that show up every weekend on multiplex screens.

Writer and director Paul Davids starts his overview by discussing Forrest J. Ackerman a.k.a. "FJA" a.k.a. "Uncle Forry," whose great magazine *Famous Monsters of Filmland* gave young fans in the 50's and 60's not only information about cinematic creatures like the Wolfman or Frankenstein's monster, but also discussed film directors like Fritz "Metropolis" Lang, writers like Ray "The Martian Chronicles" Bradbury, makeup artists like Jack Pierce (who created Universal Studios' most famous creatures), and maybe most important of all, Ray "Clash of the Titans" Harryhausen, whose own childhood fascination with *King Kong* led him to become Hollywood's greatest stop motion animator from the late 40's through the early 80's. The documentary tracks how *Famous Monsters* and Uncle Forry (who loved to interact with his readers through the mag) encouraged and developed a love of movies and movie craft in young people like Peter "Lord of the Rings" Jackson, John "American Werewolf in London" Landis, and Stephen "The Mummy" Sommers. There are interviews with the late Ackerman, as well as with the guys who fell under the influence of *Famous Monsters* like modern makeup and effects master Rick "The Howling" Baker. We witness the evolution of these "sci-fi boys" through interviews, as well as clips of the amateur monster movies they made during their younger years. Yet, what really stands out is how talented Harryhausen himself was in his own early days, experimenting with stop motion effects that would later echo some of his great achievements in flicks like *The Seventh Voyage of Sinbad*. The brief clips of Harryhausen's early films are worth the price of the DVD, and demonstrate (at least to me, a "sci-fi boy" myself in my own way) how low-tech handcrafted stop-motion has a punch and power in its slightly jerky, surreal beauty that seems lacking in the more perfectly seamless modern depictions of monsters done with CGI, as in *Jurassic Park*. Yet, the documentary shows in all fairness how the evolution of monster-making from animation and makeup to CGI and animatronics was inevitable with the ever-increasing reach of digital technology.

There are interviews with low-budget producer-director Roger Corman, and fun clips of influential 50's schlockmeister William Castle, whose exploitation epics like *House on Haunted Hill* and *The Tingler* provided afternoons of low-tech but definitely fun entertainment at local bijous back in the day. *The Sci-Fi Boys* captures the feeling of excitement kids in the 50's and 60's had when, inspired by Castle and Corman and Harryhausen and Uncle Forry, they made their own Super 8 movies on weekends, hoping that their passion would maybe even take them onto professional cinema careers. I was one of those "sci-fi boys" in my own way, crafting Super 8 horrors like "The Monster Ant" and "Hands of a Fiend" starring my schoolmates as heroes and invading aliens; and then later through my "grown-up" work as an X-rated screenwriter in the 1990s I got to live out more of my own "Monster Kid" enthusiasms by writing a hardcore version of *Phantom of the Opera* entitled *Phantom X*, starring Jamie Gillis—a copy of which I proudly presented to Forrest J. Ackerman when I finally got to meet him at a fan convention in 2000! So, if you were one of the "sci-fi boys" yourself, or remember those great old movies with fondness, check out this very enjoyable documentary.

"GOOD NEWS! MY PROBLEM ISN'T ERECTILE DYSFUNCTION! IT'S **YOU!**"

XXX REALITY CHECK

"I Like To Watch, And I Like To Do—So I DO Both!!!"

Hey hey! Ho ho! Hi hi! Here I am, dudes—straight up and right at you; yours truly, Ron Jeremy, back in the XXX *SWANK* house! How's that for an intro? Cool, I say! Haha! Well, well, here we are back at the hardcore helm for another month of sex rockin' and fuck rollin'! You know what the best thing is about all this? It's that I get to rant, rave, and pout about anything I want to–issue after issue—month after month—year after year! I love it! But, I sure hope you do, too, because I know my life and lifestyle are a bit "different" than yours, so the least I can do is share, right? Haha! Right!

XXX Acting Or XXX Directing?

Text By Ron Jeremy
Photos Courtesy of
www.MetroInteractive.com

I haven't done any directing in a couple of years, as the porn production industry has slowed down.

So, what's on my mind this time around? Getting laid! Oh, that's always on my mind! What else is on my mind? I'll tell you: I was being interviewed by a journalist recently, and somehow I mentioned my work as a porn video director. The interviewer was surprised, and said he had not known that I am a director as well as performer! No big deal, as I know that my big claim to fornicative fame is the fact that I've starred in more than 2,000 X-flicks, but I am proud of my directing carnal career as well, and I'd figure this is as good a time as any to talk about it!

To date, I have been credited as director in an X-movie close to 300 times, starting back in 1980 and going all the way to 2009. I've directed everything from Gonzos to features—and everyone from big sex stars, to first time newbies. Some of my stuff was so good they were made into a series! Check out: *Anal Angels* (Leisure Time Entertainment), *Backdoor To Hollywood* (CDI HomeVideo), *Ebony Humpers* (Leisure Time Entertainment), *Girls Of Double D* (CDI Home Video), and *Ladies Lovin' Ladies*

Lovin' Ladies (Arrow Productions). I directed them all, and even a few famous series episodes were mine!

Did you know I directed *Deep Throat number 4,5, and 6* for Arrow Productions in the early 1990's? Yeah, that was me! As well as all eight editions of "Hawaii Vice (CDI Home Video)." Of course, one of my proudest directorial efforts was my self-named four-episode series, *Ron Jeremy On The Loose*, distributed by Gonzo in 2002-2003.

I haven't done any XXX directing in a couple of years, as the porn production industry has slowed down, and I've just been so busy with other projects, but you know, I do miss directing—it's so different than performing. You know what, though? It's also so much more work for not that much more moolah!

So, let me tell you about how it goes as a porn film director. First of all, as director, I was responsible for everything—the casting, budgeting, locations, scripts, food, STD testing—everything! It's like being the president of a country for a few days, and you know the saying: "The fuck stops here!" What headaches you have to deal with! Girls are late! Studs can't get it up! The camera breaks! The police are knocking the door! You know, it's enough to drive you nuts—so nuts that you don't want to get laid!

I am proud of my directing carnal career!

Do directors get laid? I would double as both an actor and director on almost all of my directed movies, and if I didn't, well, there was always off camera nookie, but you know, with so much responsibility on your shoulders, fucking is least of your worries! In fact, the closest I ever came to having trouble getting wood would have been in some of the movies I directed as well! Although notice that I say, "closest." Pussy is pussy, you know? Haha!

Anyways, being a director makes you use your mind as well as your dick. As a performer, all I have to do is show up, get hard, and fuck a girl. All very accomplishing. On the other hand, being a director is all kinds of paperwork, delegating tasks, making decisions, and of course, artistically making the theme of the X-movies happen the way it is supposed to. It's not always an easy assignment, but, I enjoyed the challenge—and the rewards! Not so much the money, though, because like I said—on most of the projects I've directed, the cash was not the main thing. Yet, when a movie finally comes out with your name on it as director—not just as a penis—for sure, it can be very satisfying!

And what are some of my standout titles, you ask? Here they are: *Year Of The Sex Dragon*, *Flesh For Frankenstein*, *Anal-holics* and who can forget: *Curse Of The Lesbian Love Goddess!*

They are all great vids—all directed by me! If you check online and do some googling around, you can find a complete list of all the movies I've directed as opposed to ones I've just cocked in. Look at some of the titles, get some of the movies, watch them—and tell me what you think! I can take the criticism, but I think you will be pleasantly surprised. Oh, but lest I forget! Sometimes, I directed movies under other names, just to make myself look more "prestigious." So, if you see such directorial names as: Ron Presto, Dave Elliott, Anthony Pearl, Bill Blackman, Norm Prestissimo, or Norm L. Pera, among others. Rest assured, however, that's little ole' me!

As a performer, all I have to do is show up, get hard, and fuck a girl!

If there's one fuck flick I've directed that I can recommend, it's one of the best-selling sex tapes of all times—*John Wayne Bobbitt Uncut* that I made for Leisure Time in 1994. John got to fuck five times in the movie, and I only got my cock out once in an orgy with John, Crystal Gold, Letha Weapons, and Olivia. However, there was only one director of that notorious film, Ron Jeremy—and for that, I stand proud!

There you have it, folks—a rundown of my directing resume! A little walk down mammory lane never hurt anyone, so when will I ever direct a porn movie again? Yes! When? Who the fuck knows! However, I sincerely miss the experience of being the Big Man on *cum-pas*, and I will direct again just as soon as the X-opportunity arises! So, stand by, ***SWANK****ites* you will be the first to know! That's it! See you next month right here sex-clusively in ***SWANK*** and only ***SWANK!!!***

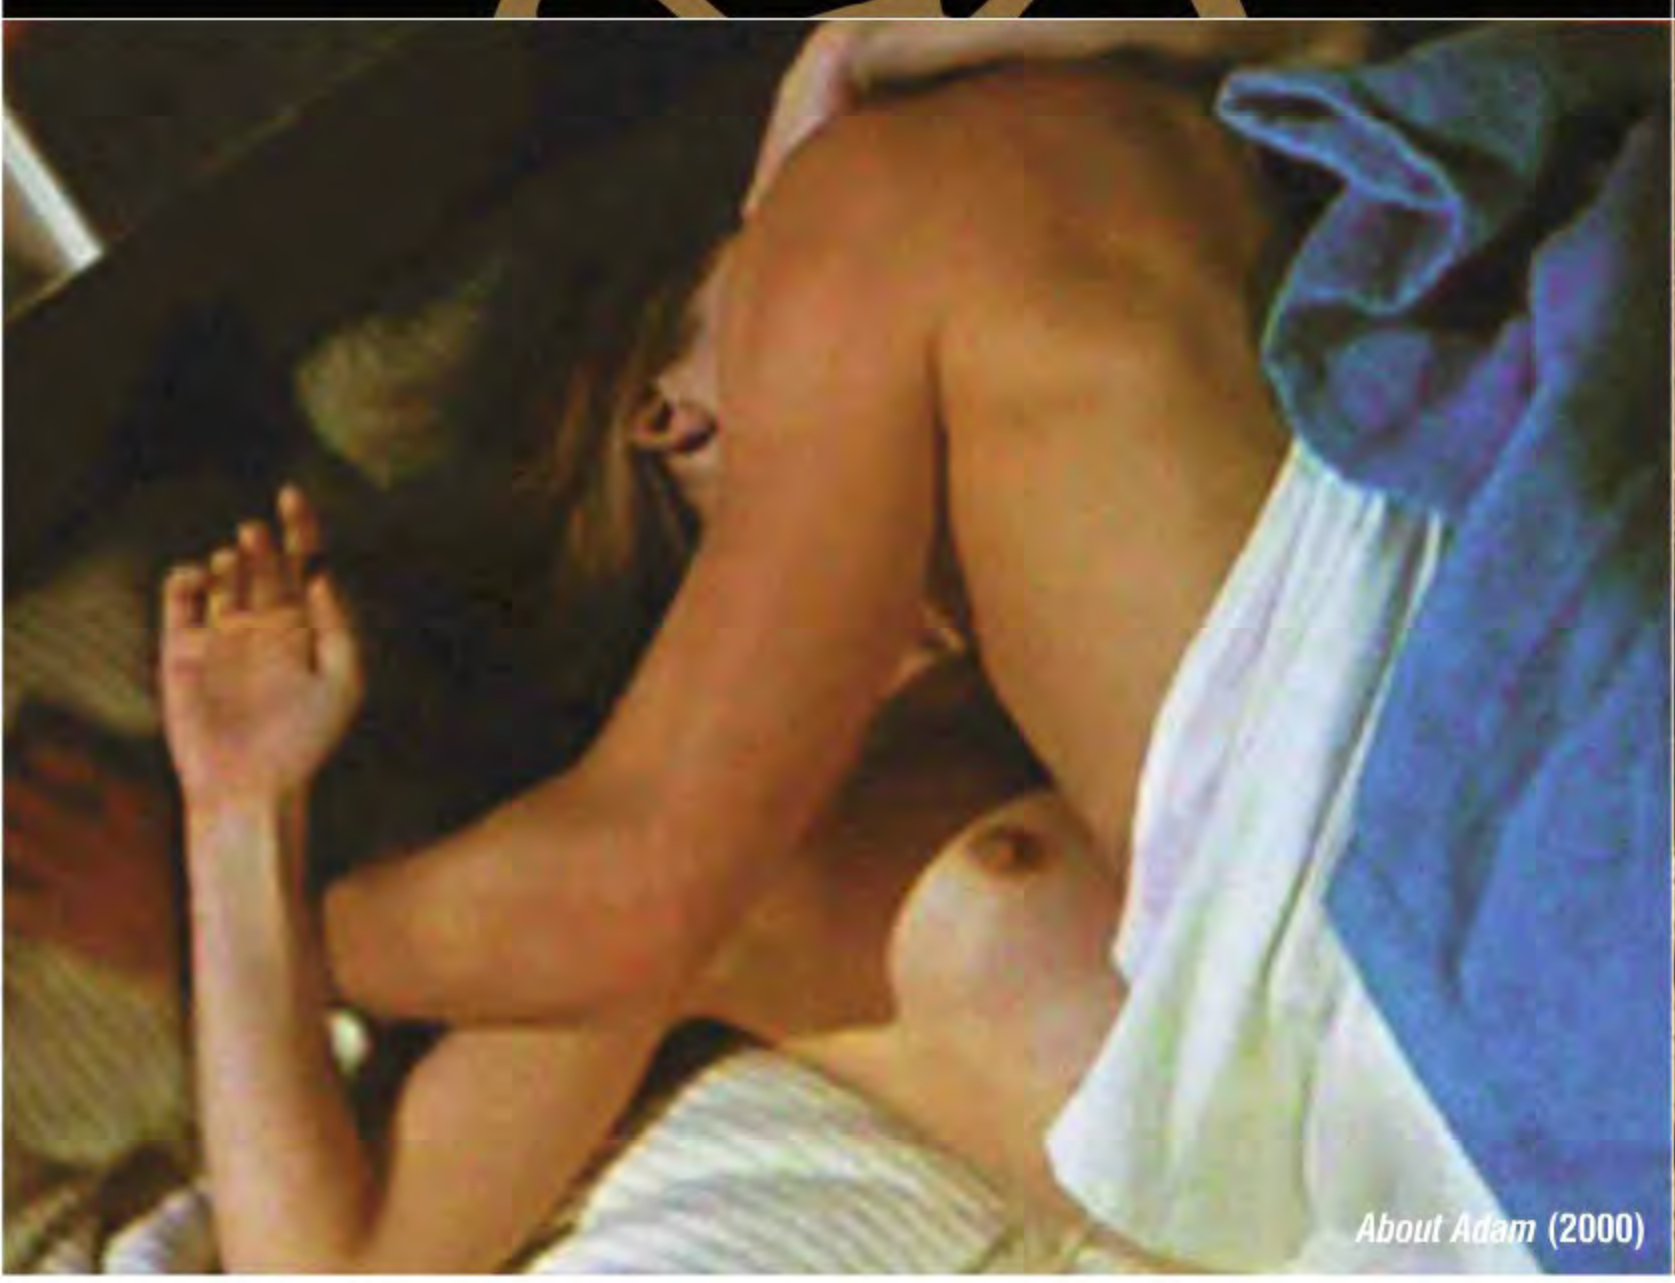
Kate Hudson

The daughter of comedic actress, Goldie Hawn—Kate Hudson's career had a head start before she ever stepped foot on a movie set. Making the most of her circumstance, Hudson appeared in a handful of film projects such as *200 Cigarettes* (1999) and *Desert Blue* (1998). However, in 2000, she received an Academy Award nomination as the leading lady in the Cameron Crowe hit, *Almost Famous*. For the decade plus since flirting with Oscar, Hudson has appeared in movies of several genres including horror—*The Skeleton Key* (2005)—and intense, erotic drama, *The Killer Inside Me* (2010). However, fans of Kate know the actress best for her starring roles as both the sweetheart, or the bitch, in a



About Adam (2000)

slew of romantic comedies. The most recent of said comedies include *My Best Friend's Girl* (2008), *Bride Wars* (2009) and *Something Borrowed* (2011).

Few will argue that Kate Hudson is anything less than a stroke-worthy hottie, but the knock that cinepervs have on Kate is that she has been anything but forthcoming when it comes to baring her tatas for the camera. Still, if you are willing to put in a little time and footwork, you will find that the blonde babe from LaLaLand is indeed a card-carrying member of the Naked Hollywood Club.

Though *The Killer Inside Me* is a highly sexual and perverse flick, the only nudity we get from Kate is a short, albeit quite sexy, naked ass shot during a spanking scene.

However, Hudson's hottest screen nudity took place in 2000, when the most popular of her nude scenes came in her breast reveal in *Almost Famous*. Yet, one should also take the time to rent *About Adam*. This under-the-radar flick also boasts a topless Kate scene where she gets banged on a rooftop.

Vera Farmiga

In Tranzit (2007)

In Tranzit includes Farmiga getting pounded in bed, her bare sacks caressed in plain view

In the late 1990's, into the turn of the century, this Ukranian thespian whom later called New Jersey home—began landing supporting roles in well-received flicks such as *Return To Paradise* (1998) and *Autumn In New York* (2000). Another of her more notable roles came as the leading lady in the left-of-center comedy, *Dummy* (2004).

Farmiga's career began gaining traction with the release of *The Departed* in 2006, and she scored a major role in the ensemble cast of the surprise hit *Orphan* (2009). That year, she also starred opposite George Clooney in *Up In The Air,* and received and Oscar nomination for her performance. Her latest major movie role came in the 2011 big screen success, *Source Code*.

The search for screen nudity from Vera Farmiga is by no means a fruitless endeavor. Her first topless work came in the 2004 modestly successful production, *Down To The Bone.* This movie features a scene where Farmiga has her naked tit groped, and later, both melons are caught on camera when this Euro hottie jams a hand in her pants for some masturbatory pleasure. And fortunately, in 2007, Vera turned in two bare breasted releases. In *Never Forever,* Farmiga gets fucked in a good number of scenes that will give screen strokers a field day, as they spank to several lengthy views of her tits. *In Tranzit* is a post-WWII drama that includes Farmiga getting pounded in bed, and again, her bare sacks are caressed while well lit and in plain view of the lens. The latest nude work from Farmiga, however, can be found in *The Vinter's Luck* (2009) where there's a nice, full nude shot from behind as Vera emerges from a bath, and later lies topless on a table in a scene that is certainly long enough for you to crank out a load.

Wolfhound (2002)

Wolfhound (2002)

Yes, putting a Playboy Playmate in *Naked Hollywood* is stacking the deck a little, but her hotness and willingness to air out the boobs and bush in mainstream flicks make her more than qualified to join our nude celebrity party.

Born and raised in Rochester, New York, Julie caught our eye as *Playboy's,* Miss February of 1994, and went on to be the 1995 Playmate of the Year. Her first screen works were appearances in erotic Playboy videos, and this led to mainstream modeling work for magazines as well as television commercial work.

As the 21st Century began, Cialini scored appearances on the edgy challenge show, "Fear Factor" as well as a stint as a hottie on "The Price Is Right." From there, she made the transition to the big screen—appearing in the erotic thriller *Watchful Eye* (2002), *Wolfhound* (2002), and *American Crime* (2004). Having earned her fame from dropping her clothes for the still camera—Julie wisely played to her strength, and continued to perform naked in moving pictures.

In *Wolfhound,* Cialini is naked and in stroke-worthy form throughout most of the movie. Her tits are naked and prominent in each of the nude scenes, including some very hot footage of her getting banged in the doggie pose. We're also treated to a double dose of bush as Julie bares her slit in two standing full-frontal forays before the camera.

In *American Crime,* Cialini takes on the role of a stripper and displays her chest bumps during one of her pole dancing performances.

Take care, and keep on strokin' to the movies!

Wolfhound included some very hot footage of her getting banged in doggie

Major props to Adam & Eve for not only turning out an amazing spank flick, but delivering a very unique porn viewing experience. This three-disc "interactive DVD" set gives you a seemingly endless amount of wild fuck fare to crank along to, with some cool DVD extras that put one's free hand to work as well.

Brooke Lee Adams & Derrick Pierce

A crazed foursome including babes, Alexis Ford and Jessica Jaymes, kidnap Tori Black. The movie is brimming with action and fucking, and, thanks to a "Choose your experience" option, the viewer has the opportunity to control the plot and the sex.

The controller make the choices in the action and choose how Tori navigates through a web of lust and danger. And due to some great performances by the cast of A-list sluts, it's impossible to make a bad selection. Alexis, Jessica, and Tori each bring the dirty in a big way in their on-camera porks. The story even works in a Bree Olson sex scene pulled from the A&E smut vault. Seeing the former goddess ride the bone added an extra layer of heat and nostalgia to the movie, and provides one more (of the many) reasons to add this porno to your collection ASAP. Veteran banger, Raylene, and the dirty Brooke Lee Adams also hold nothing back to make their scenes rock.

The first time around in the "choose" mode, it's recommended choosing the "female clerk" option when Tori goes to the gun shop. This lets one see Tori go clit-to-clit with mega star, Teagan Presley. This is one of the brightest shining scenes in the bunch, and it's always good times to watch two of porn's biggest names go off on each other.

Aside from a plethora of "killer" sex scenes to get off on, there is an entire disc of other extras that are sure to leave palm prints on your wong.

Run, don't walk to catch *Killer Bodies*.– *Richie Boningham*

In the second installment of the *Flying Pink Pig* series—director, Erica McLean, has developed more thrills, ferocious fucking, and a kinky plotline to satiate the savory cock and cunt craving that the filmmaker nails.

Beginning with Nicki Hunter and Sunny Lane in a naturally sexy bedroom scene—Nicki's dominant role reigns while the brown-eyed beauty makes constant eye contact with Sunny the entire time her tongue glistens with her lover's cooze cream. Since leaving XXX earlier this year—Lane's jackhammer hand and hurricane flesh flap on Nicki's twat was the ultimate filthy farewell. But, once the girl gash has stained the sheets, it's back to business for Lane's Flying Pink Pig food truck, until she's blackmailed by Ron Jeremy who threatens to sell a sex tape of Hunter's rectal ramming with Lee Stone from the first *Flying Pink Pig*. On the hunt for the video, the duo brings a bevy of bawdy babes for backup—leaving no cock unsucked!

Nicki Hunter & Sunny Lane

air, before Getz gets his heaping batter down her throat.

In order for Alexis Texas to attain the Flying Pink Pig truck all to herself, she tempts her boy toy, Jerry with her delicious double bubble—while we watch his massive mast disappear between her cheeks in doggie. Seeing her squeal in delight as her honey nectar drips on the cement floor is enough to make anyone cream, but it's his load on her plump rump that seals the dirty deal.

With a hilarious ending, peppered in with some witty quips—McLean leaves room for a salacious trilogy to her award worthy series.—*Lisa Gray*

Alexis Texas & Jerry

Cytherea & Lee Bang

After the girls get stopped for speeding in the blush truck, it's Cytherea's wet mouth and tight twat that gets them out of a ticket with Lee Bang in a hot interracial scene. Focusing on this petite slut take his monster bat in her cooch is surely a strokeworthy scene, but watching her squirt twice before he glazes her chin with his protein sauce puts the cherry on this salacious sundae.

When it's Tessa Taylor's turn to try and get the tape from Dale DaBone, her elastic mouth sucks the life out of DaBone—leaving him a sticky, sweet mess before he ravages her cunning cooch in reverse cowgirl. Hot!

With only a year under her flesh belt—stunning Asian, Mika Kim, uses her submissive nature to seduce T.J. Cummings in a hilarious Kung Fu style slamming, but it's his hulking sword that she ends up taking in doggie—while Cummings treats her like a ragdoll by finishing his poon tang plowing in spoon.

Before Sunny Lane finds out that the tape is in a radio studio, she gets the filthy Breanna Getz to distract DJ, Tyler Knight, by shoving her Latina lust muffin in his face, before his chocolate bar slams into her pert pussy in mish, while the sounds of their sloshing juices waft through the

Lily Labeau & Tommy Pistol

Of all the mainstream projects to parody in a porno, Martin Scorsese's 1976 classic *Taxi Driver* seems like an obvious candidate to run the XXX treatment on, so it's a bit surprising that we had to wait this long for it to happen. The good news is that this "Pleasure Dynasty Parody" was well worth the wait.

Filling in De Niro's shoes in the lead male role of Travis is Tommy Pistol. This interpretation of the character is pretty dark, but not enough to make the flick too unsettling to help jerk off.

The first sex occurs with Travis behind the wheel of his cab and Misty Stone and her man slamming in the back seat.

This scene is extremely long by today's porn scene standards, but Misty keeps our attention from the second the cock hits her mouth to the frames of the very last cum drops being drained from her man's yack.

Recreating the famous 1970's porn theater screen feature is the bad girl tandem of Chanel Preston and Aurora Snow.

It is both fun and nostalgic to watch these two pro sluts ripping into each other's slits with an old film-like effect on the video.

MILF babe, Nikki Charm, is next to get fucked, and hers is an interracial tryst. Nikki is still as hot and skilled at working the cock as she has ever been, and her scene is no less hot than any other in the movie.

Taking on the Harvey Keitel pimp role is Evan Stone, who pulls it off with flying colors. Stone is always over the top as is Keitel most times and it works. Stone's prized escort is Jessi Andrews. Jessi is playing a role based on the Jodi Forster character in the original, except the character is brought up to legal age and has a raunchy sex scene with her pimp.

Pistol has the last sex scene of the movie and his partner is the very sexy Lilli LeBeau. The sex is hot and it leads to an ambiguous ending to the story. However, what is definite and certain is that the action in this flick is great, and this is one parody that is worth every cent you pay for it.

Submissive And Dominated!

Asian sinsation Asa Akira has quickly become a major star in the Porn World. While most girls of her ethnicity get stuck in a niche, Asa won't stop until she conquers the entire XXX industry as one of its biggest (and hottest) stars. Check out more on this babe right here!

ASA AKIRA

Interview By Emma Edwards

***SWANK:** Tell us how you first broke into the adult industry. We know it wasn't conventional.*

Asa: I used to be on a radio show called, "Bubba the Love Sponge," and we used to have porn girls come on as guests of the show. I met Gina Lynn and befriended her through this show. She later introduced me to Joel Lawrence, the owner of Goldstar Modeling Agency. The rest, they say, is porno history.

I was a professional dominatrix at the age of 19

***SWANK:** What did you do before porn?*

Asa: Before the radio show, I was a stripper at the Hustler Club in New York. Before that, I was a professional dominatrix at the age of 19. That really shocks people because I am such a submissive person by nature. I was totally a dom. I had so many weird requests, although I was never into the [violent stuff]. I loved using strap-on cocks. I enjoyed the power trip and being able to step outside of myself. The role-playing was sexually freeing and turned me on.

***SWANK:** Describe your first scene for us. Who was it with?*

Asa: My first girl/girl scene was with Gina Lynn. Funnily enough, my first boy/girl scene was with her husband, Travis Knight. It all felt very natural to me. I had wanted to do porn for so long that I felt complete and utter relief. I was actually doing it and it felt wonderful. Gina and Travis were the first porn people I met. Their dynamic impressed me because they were such a "normal" married couple. In fact, they were quite the opposite of what most porn stereotypes would dictate.

***SWANK:** Were you a fan of porn before becoming a porn star? If so, what type did you watch?*

Asa: I was a fan of porn. Even to this day, I go though phases of what I like to watch. Right now, I'm really into anal movies. I love watching strong, anal sex scenes. Before then, I was completely into amateur porn. It always changes. I do remember watching Rocco Siffredi and falling in love with his performance. My favorite porn however, is a movie called, *Killer Pussy 4*. All I can remember is thinking that she had the prettiest looking vagina I had ever seen. I guess you can say that she had a " killer pussy," right? (Laughs)

***SWANK:** Have you ever worked with Rocco Siffredi?*

Asa: I have worked with him. I was so excited when I got the job. When I saw him, I walked up and made the mistake of telling him I was his biggest fan. After saying that, he assumed I wanted to be fucked really hard. Believe me, I've had rough sex in my life, but Rocco's style is even harder than anyone else alive. I had the time of my life. Rocco was everything I had imagined and more!

***SWANK:** Which performer were you most excited to work with? Why?*

Asa: I was very excited to work with Rocco Siffredi, Manuel

Ferrara and Spyder Jonez. Most girls are excited to work with Manuel though, for obvious reasons. Spyder was incredible because I'm a huge fan of the show he used to appear in called "Oz." I was also very excited to work with Tori Black. She and I performed together for the first time the other day. Needless to say, she was great.

***SWANK:** Are you bisexual off camera?*

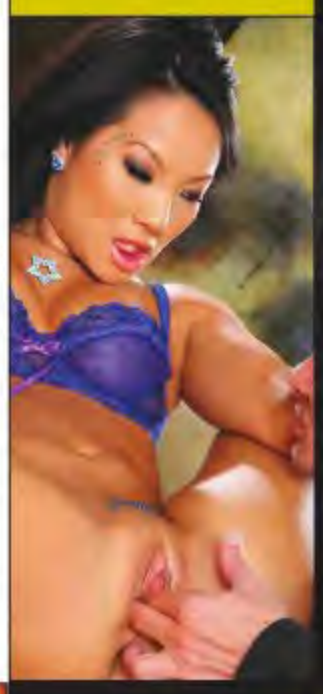
Asa: Yes I am, although I do lean more towards men. I am genuinely into girls, though. I have enjoyed many in my days.

***SWANK:** Have you ever had a girlfriend in rea life? You prefer cock?*

Asa: No, I've never had an actual girlfriend and I don't think I ever will. When it comes down to having a relationship, I need a man.

***SWANK:** Describe your wildest lesbian encounter.*

Asa: Honestly, in my personal life, I haven't been too wild. Once when I was 18-years-old, I fooled around in the bathroom at a movie premiere with two of my hot friends. I remember tons of finger banging, although sadly, there was no pussy licking. We kissed, grabbed and fondled each other. Now the encounter seems so tame in comparison, but back then, I felt like a really dirty girl.



Missionary position is the best. I could cum forever in missionary

***SWANK:** What type of woman turns you on?*

Asa: I actually like really butchy looking girls. This makes me think that I must be super straight, if my fantasy girls look more masculine than feminine. Samantha Ronson— Lindsay Lohan's ex-girlfriend—is a good example. In porn, Cadence St. John would be my perfect type. I met her a few months ago at an adult convention. Her booth was close to mine. I walked up and asked her if she shot content, which is the classic pick-up line for porn people. We then exchanged numbers. When I got home, I totally cyber stalked her online sites and web pages. We ended up going to the XBIZ show together a few days later. In the car, I totally started telling her all the things I had learned about her. She was like, "Whoa! You *really* looked me up didn't you?" But hey, I got to work with her in the end, so whatever.

***SWANK:** Who is the best kisser in porn?*

Asa: Mick Blue is a phenomenal kisser. He was also was blessed with the perfect penis, too. His cock is somehow different. Manuel Ferrara and Keiran Lee also have amazing cocks, but there's just something special about Mick. He's incredible.

***SWANK:** Who fucks you the best? Why?*

Asa: I have a few favorites, although this list is in no particular order: Manuel Ferrara, Toni Ribas, Mr. Marcus, Mick Blue and Steve Holmes. Toni Ribas is my current favorite. I can't understand a single word he is saying, but who in the hell cares? I love being submissive and dominated by my men. He's amazing.

***SWANK:** Where is your favorite spot to be kissed?*

Asa: My favorite spot is my mouth because I love kissing. Kissing and connecting with a person in that way really turns me on. The closeness of kissing is something I really enjoy.

***SWANK:** What is the most sensitive part of your body? Besides your clit...*

Asa: My clit! (Laughs) Actually, it's not just one spot, but more the way that spot is being touched. I also love hickeys and paw prints across my ass. It's a reminder of the awesome sex that I can take with me. I think the feeling is quite primitive.

***SWANK:** Do you like to play dress up for your lovers? If so, what do you like dressing up as?*

Asa: No, I really don't wear lingerie in my personal life. I have lingerie, but that is what I wear on movie sets. It's not what I wear at home. Perhaps I haven't really been with a man that enjoys lingerie.

***SWANK:** What do you like to do on your days off?*

Asa: I'm actually quite boring. When at home I like to play with my dog, watch movies, and workout.

***SWANK:** What are you best at sexually?*

Asa: I have a really deep vagina, so I guess you can say I'm best at taking it!

***SWANK:** What is your sexiest physical feature?*

Asa: I've been told that I have very sexy feet. They are so small. I always keep my toes polished and my arches smooth. Men with foot fetishes can't get enough of my feet.

***SWANK:** What is the best sexual position to make you cum in?*

Asa: Missionary position is the best way. I could cum forever in missionary.

***SWANK:** What celebrity makes you wet?*

Asa: I have a few. I love Jay-Z, Bill Clinton, Vince Vaughn, and pretty much any comedian can fuck me. Funny guys turn me on. Honestly speaking, Bill Clinton can do anything he wants to me. I'd love to sit on his face. I have a thing for older men with gray hair, so perhaps this explains my Bill fetish. I don't understand why men dye their gray hair. For me, that would be the equivalent of a girl getting a breast reduction. Why would you do that?

***SWANK:** Who is the epitome of the perfect porn star? Why are they so perfect?*

Asa: Annette Schwarz and Manuel Ferrara are my favorites. Annette switches it up and keeps things exciting. She genuinely likes what she is doing, which makes her an excellent performer. Manuel is the ultimate package: He has a big cock, is good looking, charming, and is a great performer. Those factors usually don't come in one package. I guess one doesn't win "Male Performer of the Year" three times for nothing, right?

***SWANK:** What makes you a unique performer?*

Asa: I believe my Japanese heritage makes me unique. There aren't very many Asian girls that perform at such a high level. My scenes are really hard and have tons of energy. Mika Tan used to fuck like that. Right now there is me, London Keyes and Jessica Bangkok. Other than that, I can't think of any other top Asian performers. I also have tits and ass for an Asian chick, which is great. My ass isn't too big, but it is big for an Asian girl.

***SWANK:** Will you ever do anal on camera?*

Asa: I just did my first anal and DP scene in a movie for Elegant Angel called *Asa Akira is Insatiable*. The anal scene was with Manuel, and the DP scene was with Toni Ribas and Erik Everhard. I actually did the DP scene before the anal. I was so worked up and ready to go that I told Toni to shove his cock in my ass and Erik to shove his cock into my pussy. It was only supposed to be a vaginal scene, but I couldn't contain myself. I was so turned on. I loved it. It was the best feeling in the world. I came like, five million times!

***SWANK:** Who is next in line on your fuck list?*

Asa: Well, I am working with Johnny Sins tomorrow, so I suppose he's the next one in line. However, I am dying to work with Bobbi Starr. I'm really intrigued by her style and know that she would fuck me very well. I need to be careful what I wish for, don't I? I know I'm up for the challenge though. Bobbi Starr, it's time—and I'm ready for you!

I'm really into anal movies. I love watching strong, anal sex
